Dear [REDACTED]

25X1A

I regret very much to advise you that in all probability I will not be able to handle your personnel difficulties as I advised you I could a few days ago. The best information which I have is that the individuals I wrote you about will be dropped from CIG rolls in the near future and without waiting for re-placements.

We are still prohibited from passing any of this information to anyone else at your station. However, you should make your plans to readjust your staff, curtailing operations, if necessary, so as to function without the three individuals in question.

Sincerely,

25X1A
